Dear Parent,

Welcome back!!! To say the least, this has been an extraordinary year. But we know that God is still in control. COVID 19 has caused us to make changes at the end of last year and we will continue some of those changes. First of all, classes will begin July 27. All of classes will be online except preschool, kinder garden, and first grade. We will stay with this schedule of operation until we have determined that it is safe to have in person classroom instruction. We will follow the CDC, the Governor, and the State and local Health Departments Guidelines.

We have planned a robust distance learning program in order that your child will get the maximum learning possible. Our guidelines are as follows:

- School will be conducted virtually until further notice and guidance from the state and local administrators
- Virtual Classroom attendance is mandatory, teachers will record attendance
- We will utilize Google Classroom for learning instruction
- Students will need a computer, chromebook, laptop, or cellphone to access Google Classroom, specific software requirements will be given
- School communication app will be: ClassTag
- All textbooks will be accessible electronically
- Students will meet at minimum 4 times a week (Mon-Thurs.) virtually for teaching instruction. This is mandatory; Fridays will be used for review and makeup work. Our instructors will be available for any assistance needed.
- Our official FaceBook page address: <https://www.facebook.com/nlcaathokeloop/>

We will hold a virtual open house on Thursday July 23 @ 2 pm. Zoom check in # is 894 2326 7342.  
Audio only for parents.

As always, our doors are open to assist in anyway possible. Do not hesitate to call or email me. Our Children are too important to fail. They were created for success.

Sincerely,

Allen S. McLaughlin

Principal
